

## Dear Leader,

Thank you for participating in Act for Sudan's National Days of Action for Sudan: Letters to Guisma (pronounced "Geesma"). There are events scheduled throughout the country! Each event is unique and locally designed - but all National Days of Action events will be connected together through the collective messages we wish to send to one girl: Guisma.

Guisma, an 8-year-old Darfuri girl, is living in a refugee camp in Chad. Her story is at once solely her own and shared by hundreds of thousands fleeing the genocidal Khartoum regime in numerous regions of Sudan. "Letters to Guisma" is a nationwide community art project featuring a silhouette of Guisma's face printed on a postcard, to be filled in with the advocacy asks, thoughts, prayers and well-wishes for Guisma, her family and community. You can also download high resolution images for projection or printing on large banners at our website: <u>www.actforsudan.org/nationaldays</u>. The postcards and larger art pieces will be sent to Guisma, care of President Obama. However, Act for Sudan will deliver these en masse, so please collect these and send them back to Act for Sudan.

The Sudanese government is currently engaged in a full-scale military assault on the people of the Nuba Mountains/South Kordofan and Blue Nile. Hundreds of thousands of civilians are at risk because evacuation routes are blocked. By sharing Guisma's story, we call attention to the ongoing crises in Darfur, South Kordofan, Blue Nile, Abyei, and Eastern Sudan, spurring activism and ensuring Sudan is put on the front burner.
